

IMPACT SOY

STORAGE AND USAGE INSTRUCTIONS

This combo pack is composed of four individually registered liquid foliar fertilizers.

- Keep in original packaging, in a cool and ventilated place.
- Avoid prolonged exposure to heat or direct sunlight.
- Do not apply under strong wind conditions.
- Not intended for human or animal consumption.
- Avoid contact with eyes and skin.
- Keep out of reach of children and animals.
- Always use appropriate protective equipment (PPE).
- In case of ingestion, seek immediate medical attention.
- Follow Clear Agro technical guidelines for correct use.

Mixing sequence must follow the product number (P UP → CHARGE+ → GRAIN UP → B UP)

This product is for sale only in the registered states. Please contact Clear Agro Co for a specific list of states or regions where sale or distribution of this product is permitted.

PRODUCT CONCEPT

A modern solution that delivers highly available nutrients, rapidly absorbed by leaves and roots. It supports uniform early development, ensures greater expression of yield potential, and helps strengthen the plant's natural tolerance and resilience.

RATE

Application method: foliar.
 Use rate (each product): 2.0–2.5 fl. oz./acre.
 Pack size: 1 box = 4x1.25 gal units (each unit 160 fl. oz.).
 Coverage per box: approximately 64–80 acres, depending on the selected rate.

WARNING

KEEP OUT OF REACH OF CHILDREN

This product contains boron. Do not use on plants sensitive to boron. Excessive use or over-application rates of boron may cause serious crop injury. Use only on crops and at rates recommended on this label.

This product contains molybdenum. Application to forage crops may result in forages containing levels of molybdenum that may be toxic to ruminant animals. Consult a qualified advisor regarding safe molybdenum levels before grazing or feeding treated forage.

STORAGE AND DISPOSAL

Store in a cool, dry and well-ventilated area (41–86°F / 5–30°C). Keep the container tightly closed when not in use. Store locked up and out of the reach of children. Avoid direct sunlight and sources of heat or ignition. Dispose of contents/container in accordance with local, state and federal regulations.

TRACEABILITY

Lot and manufacturing date: See individual containers. Lote e data de fabricação: Vide embalagem individual. This product is for sale and use only in the states where registered. Please contact Clear Agro Co for the current list of registered states or regions.

KEEP OUT OF REACH OF CHILDREN FOR PROFESSIONAL AGRICULTURAL USE ONLY

Before use, carefully read this label and consult a qualified crop advisor. For sale and use only in states where registered. Contact Clear Agro Co for the current list of registered states or regions.

P UP

LIQUID FOLIAR FERTILIZER

Safety:
 Signal word: Danger.

Hazards: causes severe skin burns and eye damage; may cause respiratory irritation.

Precautions: do not breathe mist/spray; wear protective gloves, protective clothing, and eye/face protection; wash thoroughly after handling; store locked up.

First aid: skin—remove contaminated clothing and rinse with water/shower; eyes—rinse cautiously for several minutes, remove contacts, continue rinsing; inhalation—move to fresh air and keep comfortable; ingestion—rinse mouth, do not induce vomiting, call a poison center or doctor immediately.

Guaranteed Analysis:
 Available Phosphate (P₂O₅): 50.00% (6.12 lb/gal)
 Sulfur (S): 0.50% (0.06 lb/gal)
 Manganese (Mn), Water Soluble: 1.00% (0.13 lb/gal)

Ingredients: Phosphoric Acid; Manganese Sulfate Monohydrate; Chelating Agent (HEDP).
 Physical State: Liquid - Density: 13.34 lb/gal (1.60 g/mL)
 Net Contents: 1.25 gal (4.73 L)
 Net Weight 16.68 lb
 Directions for Use: Foliar — apply 2.0–2.5 . oz./acre.

CHARGE+

LIQUID FOLIAR FERTILIZER

Safety:
 Signal word: Warning.

Hazards: causes skin irritation; causes serious eye irritation; may cause respiratory irritation. Precautions: avoid breathing mist/spray; use only outdoors or in a well-ventilated area; wear protective gloves and eye/face protection; wash thoroughly after handling.

First aid: skin—wash with soap and water; eyes—rinse cautiously with water, remove contacts, continue rinsing; inhalation—move to fresh air and keep comfortable; ingestion—rinse mouth, do not induce vomiting, call a poison center or doctor.

Guaranteed Analysis:
 Total Nitrogen (N): 10.00% (0.97 lb/gal)
 Urea Nitrogen ... 6.00%
 Ammoniacal Nitrogen ... 4.00%
 Available Phosphate (P₂O₅): 6.00% (0.58 lb/gal)
 Soluble Potash (K₂O): 3.00% (0.29 lb/gal)

Ingredients: Urea; Phosphoric Acid; Potassium Hydroxide; Ammonia.
 Non-Plant Food:
 Soy Protein Hydrolysate (source of amino acids): 7.5%
 Physical State: Liquid - Density: 9.68 lb/gal (1.16 g/mL)
 Net Contents: 1.25 gal (4.73 L)
 Net Weight 12.10 lb
 Directions for Use: Foliar — apply 2.0–2.5 fl. oz./acre.

GRAIN UP

LIQUID FOLIAR FERTILIZER

Safety:
 Signal word: Warning.

Hazards: may cause skin irritation, serious eye irritation, or an allergic skin reaction; harmful to aquatic life with long-lasting effects (copper and cobalt compounds). Precautions: avoid breathing mist or spray; wear protective gloves and eye/face protection; wash thoroughly after handling; contaminated work clothing should not leave the workplace; avoid release to the environment; collect spillage.

First aid: skin—wash with soap and water; eyes—rinse cautiously with water and remove contacts; if irritation or rash persists—get medical advice; ingestion—rinse mouth and call a poison center or doctor immediately.

Guaranteed Analysis:
 Soluble Potash (K₂O): 16.00% (1.81 lb/gal)
 Magnesium (Mg): 0.77% (0.087 lb/gal)
 Sulfur (S): 0.17% (0.019 lb/gal)
 Cobalt (Co): 0.10% (0.011 lb/gal)
 Copper (Cu): 0.26% (0.029 lb/gal)
 Molybdenum (Mo): 1.00% (0.113 lb/gal).

Ingredients: Water, Potassium Hydroxide, Acetic Acid, Magnesium Hydroxide, Copper Sulfate, Cobalt Sulfate, Sodium Molybdate (Dihydrate), Thickening and Chelating Agents.

Physical State: Liquid - Density: 11.35 lb/gal (1.36 g/mL)
 Net Contents: 1.25 gal (4.73 L)
 Net Weight 14.19 lb
 Directions for Use: Foliar — apply 2.0–2.5 fl. oz./acre.
 Weight per gallon at 68°F: 11.34 lb/gal (1.36 g/mL)
 Warning – This fertilizer contains molybdenum (Mo). Application to forage crops may result in levels of molybdenum that may be toxic to ruminant animals.

0-0-0 (N-P-K)

B UP

LIQUID FOLIAR FERTILIZER

Safety:
 Signal word: Warning.
 Hazards: may cause skin irritation, serious eye irritation, or an allergic skin reaction; may damage fertility or the unborn child (contains boron compounds). Very toxic to aquatic life with long-lasting effects (copper salts).

Precautions: obtain special instructions before use; wear protective gloves and eye/face protection; wash thoroughly after handling; avoid release to the environment; collect spillage.

First aid: skin—wash with soap and water; eyes—rinse cautiously with water and remove contacts; if irritation or rash persists—get medical advice; ingestion—rinse mouth and call a poison center or doctor immediately.

Guaranteed Analysis:
 Sulfur (S): 0.05% (0.001 lb/gal)
 Boron (B), Water Soluble: 9.50% (1.09 lb/gal)
 Copper (Cu), Water Soluble: 0.10% (0.012 lb/gal)
 Molybdenum (Mo), Water Soluble: 0.10% (0.012 lb/gal)

Ingredients: Boric Acid; Copper Sulfate; Sodium Molybdate.
 Physical State: Liquid Density: 11.52 lb/gal (1.38 g/mL)
 Net Contents: 1.25 gal (4.73 L)
 Net Weight 14.40 lb
 Directions for Use: Foliar — apply 2.0–2.5 . oz./acre.
 Warning – This fertilizer contains molybdenum (Mo). Application to forage crops may result in levels of molybdenum that may be toxic to ruminant animals. This product contains boron (B). Crops sensitive to boron may be injured. Use only according to recommendations.
