

# Clear Agro<sup>®</sup>

#### WARNING — BORON:

This fertilizer contains boron (B). Use only on crops recommended; over-application or misuse may cause serious injury to the crop.

#### WARNING — MOLYBDENUM:

This fertilizer contains molybdenum (Mo). The use of fertilizers containing molybdenum on forage crops may cause plants to contain sufficient levels of Mo to be toxic to ruminant animals.

#### INGREDIENTS:

Urea; Monammonium Phosphate (MAP); Potassium Nitrate; Calcium Nitrate; Magnesium Nitrate; Manganese Sulfate; Sodium Molybdate; Boric Acid; Chelating Agents; (EDTA, HEDP).

#### PRODUCT DESCRIPTION:

PROGENESIS X is a liquid foliar fertilizer formulated to provide essential nutrients that enhance nutrient availability and support optimal crop performance. Its balanced composition improves nutrient utilization efficiency, promotes consistent growth across diverse field conditions, and can also be used in-furrow to support root development and vigor.

#### DIRECTIONS FOR USE:

For foliar application or in-furrow use, apply as follows:

##### Row Crops:

Foliar: 3–7 fl. oz. per acre. Apply 1 to 3 times between the vegetative stage and the beginning of the reproductive stage.

In-furrow: 4–5 fl. oz. per acre at planting. Compatible with starter fertilizers or biologicals.

Vegetables and Fruit Crops: 3–7 fl. oz. per acre at critical stages of growth or nutrient demand.

Forages and Pastures: 3–8 fl. oz. per acre, as needed to support growth and nutritional balance.

Turf and Ornamentals: 3–5 fl. oz. per acre. Repeat applications may be made throughout the growing season.

Always conduct a jar test before mixing with other agricultural products.

For best results, consult your agronomist or crop advisor.

#### PRECAUTIONARY STATEMENTS:

## WARNING

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Causes serious eye irritation.

Wash hands thoroughly after handling. Do not eat, drink, or smoke when using this product. Avoid release to the environment. Wear protective gloves, protective clothing, and eye/face protection.

If on skin: Wash with plenty of soap and water. If irritation or rash occurs, seek medical advice.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do, then continue rinsing. If eye irritation persists, get medical attention.

If inhaled: Move to fresh air and keep comfortable for breathing.

If swallowed: Rinse mouth and call a poison center or doctor immediately. Do not induce vomiting.

#### STORAGE AND DISPOSAL:

Store this product in a cool, dry and well-ventilated place, at temperatures between 5°C and 30°C (41°F and 86°F). Keep the container tightly closed when not in use and always store it locked up and out of the reach of children. Avoid exposure to direct sunlight and sources of heat or ignition. Dispose of contents/container in accordance with local, state, and federal regulations.

#### LOT NUMBER / MANUFACTURE DATE / EXPIRATION DATE

See container.

This product is for sale and use only in states where registered.
