MULTI-FUNCTIONAL SPRAY ADJUVANT

COMPATIBILITY • SPREADER • WETTING AGENT

FOR AGRICULTURAL USE ONLY

SHAKE WELL  
BEFORE USE

NET CONTENTS  
1.25 GALS. (4.73 L)  
NET WEIGHT: 9.91 LB

#### GENERAL INFORMATION:

TOP OIL is a natural multi-functional spray adjuvant based on vegetable oil, developed to improve spray coverage and solution stability in pesticide, foliar nutrient, and biological applications. Its formulation enhances spreading, adhesion, and uniform coverage on plant surfaces while helping reduce drift and evaporation losses.

#### DIRECTIONS FOR USE:

Always read and follow all directions on this label and on the labels of the products to be applied with TOP OIL. For best results, add TOP OIL to the spray solution under constant agitation before adding other components.

Mixing order: Fill spray tank half full with water, start agitation, and add the recommended amount of TOP OIL. Then add pesticides, nutrients, or biologicals as directed. Complete filling while maintaining agitation.

#### RECOMMENDED RATES

Herbicides (including desiccants and burndown):  
24 – 96 fl oz per 100 gallons of spray solution.  
Use higher rates on weeds with waxy or hairy leaves.

Defoliants and Desiccants:  
32 – 64 fl oz per 100 gallons.

Plant Growth Regulator Products:  
5 – 10 fl oz per 100 gallons.

Insecticides, Fungicides, Miticides, Foliar Nutrients, and Biologicals:

- Air-assisted sprayers: 24 – 64 fl oz per 100 gallons.
- Conventional ground sprayers (row and field crops): 24 – 64 fl oz per 100 gallons.
- ULV equipment (aerial, electrostatic, foggers, misters): 24 – 96 fl oz per 100 gallons.
- Irrigation systems (drip, microjet, sprinklers, pivots): 1 – 8 pints per acre.

#### CROPS:

TOP OIL can be used in spray solutions for a wide range of crops, including row crops, cereals, fruits, vegetables, specialty crops, turf, and ornamentals.

#### COMPATIBILITY:

TOP OIL is compatible with most pesticides, foliar fertilizers, and biologicals. When using with new or unfamiliar products, conduct a jar test before large-scale application.

#### PRECAUTIONARY STATEMENTS:

Harmful if swallowed. Causes skin and serious eye irritation. Toxic to aquatic life with long lasting effects.

Avoid contact with eyes, skin, or clothing. Avoid breathing mist, vapors, or spray. Wash hands thoroughly after handling. Do not eat, drink, or smoke when using this product. Wear protective gloves, long-sleeved clothing, and appropriate eye/face protection during mixing and application. Prevent release to the environment.

#### First Aid

If on skin: Wash with plenty of soap and water. Remove contaminated clothing and wash before reuse. If skin irritation or rash occurs, get medical advice/attention.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.

If swallowed: Rinse mouth. Do not induce vomiting. Call a poison center or doctor immediately.

If inhaled: Move person to fresh air and keep comfortable for breathing. Seek medical advice if symptoms occur.

#### Environmental Precautions

Do not allow TOP OIL to enter waterways, drains, or soil. Avoid contamination of ponds, irrigation channels, and other aquatic environments. Do not contaminate water sources during equipment cleaning or disposal of wastewaters. Follow local, state, and federal regulations regarding disposal of rinsate and wastewaters.

#### STORAGE AND DISPOSAL:

Store this product in a cool, dry and well-ventilated place, at temperatures between 5°C and 30°C (41°F and 86°F). Keep the container tightly closed when not in use and always store it locked up and out of the reach of children. Avoid exposure to direct sunlight and sources of heat or ignition. Dispose of contents/container in accordance with local, state, and federal regulations.

#### LOT NUMBER / MANUFACTURE DATE / EXPIRATION DATE

See container.

This product is for sale and use only in states where registered.

Please contact Clear Agro Co for the current list of registered states or regions.

#### DISCLAIMER / WARRANTY STATEMENT:

Clear Agro guarantees that the chemical composition of this product conforms to the warranted analysis stated on this label. Clear Agro makes no other express or implied warranties of merchantability or fitness for a particular purpose. Buyer assumes all risks of use, storage, or handling of this product when such use, storage, or handling is contrary to label instructions. Clear Agro shall not be liable for any incidental, consequential, or indirect damages resulting from the use, misuse, or failure to follow label directions. In no event shall Clear Agro's liability exceed the purchase price of the product.

#### METALS STATEMENT:

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.clearagro.com/metals.html>.

#### FOR PROFESSIONAL AGRICULTURAL USE ONLY

Before use, carefully read the label instructions and follow the guidance of a qualified crop advisor.
